### **RESPONSIBILITY STATEMENT**

The Local Government is responsible for the preparation of the Financial Statements under IPSAS Accrual Basis of accounting as applicable in the public sector. It is our responsibility to form an independent opinion based on our Audit on the Financial Statements therein.

### **THE SCOPE OF THE AUDIT**

We conducted our Audit in accordance with Generally Accepted Auditing Standards and auditing standards issued by International Organisation of Supreme Audit Institution (INTOSAI). I have obtained all information and explanations that I require for my Audit. An audit includes examination on test basis of evidence relevant to the accounts and disclosures in the financial statements. It also includes an assessment of significant estimates and judgement made by the Council in the preparation of the financial statements, and whether the accounting policies were appropriate in the Council circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all information and explanations we considered necessary to provide sufficient evidence to give

reasonable assurances that the financial statements are free from material misstatement, whether by fraud, other irregularities or errors.

In forming our opinion, we evaluated the overall adequacy of the presentation of the information in the financial statements and assessed whether the Council's books and Accounts had been properly kept.

## **OPINION**

In our opinion, the financial statements give a true and fair view of the financial activities of the Local Government for the period under review. The federal allocation received by the State Local Government Joint Account Allocation Committee (JAAC) was completely distributed to the Local Government.

**STATUTORY REPORT OF THE AUDITOR-GENERAL FOR LOCAL GOVERNMENTS ON THE ACCOUNTS OF IJEBU ODE LOCAL GOVERNMENT, IJEBU ODE FOR THE YEAR ENDED 31<sup>ST</sup> DECEMBER, 2020**

In compliance with the provisions of Section 123 of Decree Number 12 of 1989, Section 315(1) of the 1999 Constitution of the Federal Republic of Nigeria and Sections 135-145 of Ogun State Local Government Law 2006, the accounts of Ijebu-Ode Local Government, Ijebu-Ode for the year ended 31<sup>st</sup> December, 2020 have been audited. The audit was conducted in accordance with Generally Accepted Auditing Standards.

In our opinion, subject to our observations, the General Purpose Financial Statement presented to Audit reflects a true and fair view of the financial activities of the Local government for the year under review.

**(2) STATE OF THE BOOKS OF ACCOUNTS AND RECORDS**

There was appreciable improvement in the account and record keeping. There were few errors in the subsidiary ledgers from where the accounts were prepared.

**(3) FINANCIAL REVIEW:**

<b>REVENUE</b>	<b>AMOUNT (₦)</b>
Internally Generated Revenue	53,601,102.34
Statutory allocation	2,213,850,173.19
Aids and grants	<u>10,000,000.00</u>
<b>Total</b>	<b><u>2,277,451,275.53</u></b>
<b>EXPENDITURE</b>	
Salaries and Allowances	1,692,964,706.17
Pension	528,248,173.18
Overhead Expenditure	107,766,884.70
Long Term Assets	<u>22,552,215.09</u>
<b>Total</b>	<b><u>2,351,531,979.14</u></b>

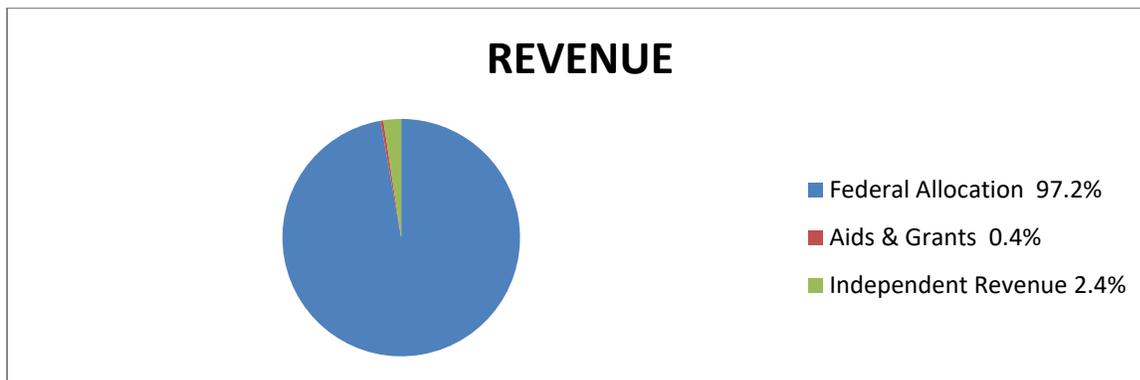

**(4) REVENUE PERFORMANCE**

**(i) STATEMENT OF ACTUAL REVENUE**

Audit examination of the revenue profile revealed that out of the estimated Internally Generated Revenue of ₦73,243,000.00, a sum of ₦53,601,102.34 only was generated internally representing 73.2% of the budget. This represents a decrease of 15.5% when compared with the sum of ₦63,406,665.67 generated internally in year 2019. This indicates that the Local Government did not harness its Internally Generated Revenue (IGR) potentials maximally or there were leakages which has not been identified and blocked.

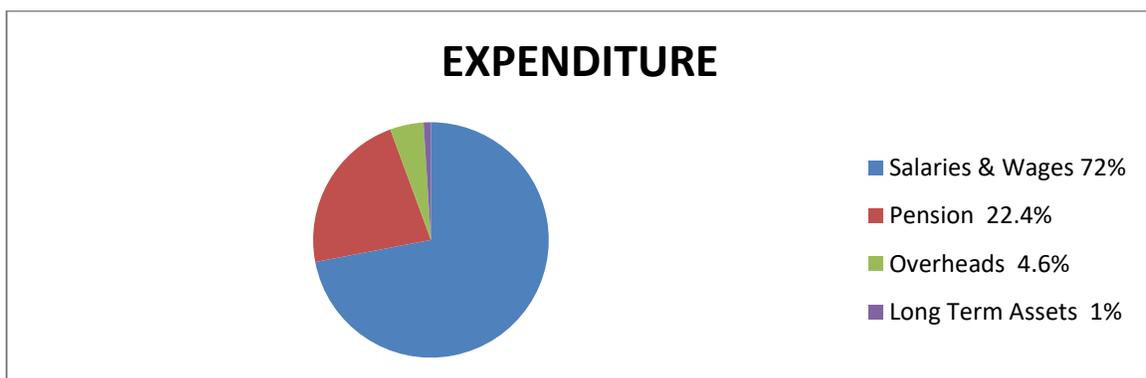

(ii) **PERCENTAGE OF INTERNALLY GENERATED REVENUE EFFORTS TO TOTAL REVENUE**

The Audit exercise revealed that out of the revenue of ₦2,277,451,275.53 realized by the Local government during the year under review, a sum of ₦53,601,102.34 only was generated internally. This represented 2.4% of the total revenue while the total sum of ₦2,213,850.173.19 statutory allocation and ₦10,000,000.00 aids and grant received from the State Joint Account Allocation Committee represented 97.2% and 0.4% respectively. The implication of this is that without Revenue Allocation from the Federation Accounts, the Local Government might not be able to meet her obligations.

(5) **EXPENDITURE PATTERN**

During the period under review, examination of the expenditure profile of the Local Government revealed a total expenditure of ₦2,351,531,979.14. Out of this, a sum of ₦107,766,884.70 was expended on overhead which represented 4.6% of the total expenditure for the year. Also, a sum of ₦1,692,964,706.17 was expended on salaries and allowances which represented 72% of the total expenditure for the year while ₦528,248,173.18 was paid to pensioners and this represents 22.4% of the total expenditure for the year. In addition, a sum of ₦22,552,215.09 was expended on long term assets which represented 1% of the total expenditure for the year.

**(6) DEBT PROFILE**

The total debt profile of the Local Government according to the General Purpose Financial Statement as at 31<sup>st</sup> December, 2020 was ₦207,527,378.17. The liabilities are highlighted below:

<b>NAME</b>	<b>BALANCE (₦)</b>
1. 5% Development Levy	15,139,371.90
2. Contract Tax	16,057,769.89
3. Pension	71,109,783.64
4. 5% VAT	16,730,850.38
5. PAYE	29,564,881.30
6. OTHERS	<u>58,924,721.06</u>
<b>TOTAL</b>	<b><u>207,527,378.17</u></b>

It was observed that the above amount had been deducted from various contracts, salaries and allowances of workers and had not been remitted to the appropriate agencies as required by regulations.

**(7) REVIEW OF STATEMENT FINANCIAL POSITION:**

**(i) ADVANCE**

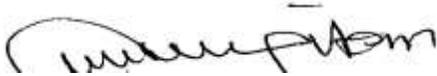

The advances balance of ₦1,719,361.11 stated in the Statement of Financial Position as at 31<sup>st</sup> December, 2020 was stagnant throughout the year. the Local Government should intensify effort to recover the amount involved.

**IJEBU-ODE LOCAL GOVERNMENT**

**AUDIT INSPECTION REPORT ON THE ACCOUNT OF IJEBU-ODE LOCAL  
GOVERNMENT, IJEBU-ODE FOR THE PERIOD 1<sup>ST</sup> JANUARY TO 31<sup>ST</sup> DECEMBER,  
2020**

The following comments in addition to those contained in the Statutory Audit Report which will be issued from this Office are referred for your attention and comments in connection with the above Audit Inspection Report.

**2. AUDIT QUERIES**

The underlisted audit queries had earlier been forwarded to the Local Government Chairman for his necessary action as required by law. Please ensure quick response to the queries.

S/N	Query Numbers	Subject	Amount (₦)
1.	OGLG/AQ/IJE/245/2020	Doubtful Expenditure	130,000.00
2.	OGLG/AQ/IJE/246/2020	Doubtful Expenditure	110,000.00

**3. DOUBTFUL EXPENDITURE**

**Observation:** It was observed that some expenditure incurred by the Local Government during the period were doubtful. Example of such expenditure was a sum of One Hundred and Ten Thousand Naira (₦110,000.00) released to Mr. Oseni Korede (Head of Department, Works and Housing). The money was purportedly paid to him to purchase tyres and battery to the legislative bus. The expenditure appeared doubtful because the payment was not supported with relevant official printed receipts. This irregularity is contrary to the provisions of Chapter 14:17 of the Model Financial Memoranda for Local Governments and has therefore been made the subject of Audit Query No. OGLG/AQ/JBD/246/2020.

A similar example was a sum of One Hundred and Thirty Thousand Naira (₦130,000.00) only paid to the same person (Mr. Oseni Korede) for the retention of broken aluminium conductor/repair of water supply pipes and provision of “no parking sign” at the front of the Chairman’s Office and to also repair offices toilets. The payment was made vide payment voucher 27/January, 2020. It was observed that the payment voucher was also not supported with official printed receipt as required by the provision of chapter 14:17 of the Model Financial memoranda for Local Governments. This cast doubt on the genuineness of the transaction.

**Recommendation:** You are advised to always attach relevant accounting record to support expenditure.

#### 4. **BANK RECONCILIATION STATEMENTS**

The bank reconciliation statements of the Local Government for the period 1<sup>st</sup> January to 31<sup>st</sup> December, 2020 were examined from where the followings were observed.

##### (a) **DIRECT CREDIT**

**Observation:** During the examination of the reconciliation statement prepared by the Local Government, it was observed that a total sum of Four Hundred and Twenty Thousand, Four Hundred and Seventy-Nine Naira Sixty-Two Kobo (₦420,479.62) only was the various deposits directly paid into the Local Government bank account but which had not been debited into cashbook. Audit investigation revealed that the money was paid into the Local Government bank accounts by some revenue collectors but they have not presented their bank tellers to the treasury for issuance of treasury receipts. The irregularity was responsible for the long list of direct credit items highlighted in the reconciliation statement.

However, the Treasurer of the Local Government was taken up on this and was advised to investigate and do the needful if the payments had been made to the coffers of the Local Government to reduce the long list of the direct credit in the bank reconciliation statement.

**Recommendation:** The Local Government is advised to educate the revenue collectors on the need to always promptly present their pay-in-slip to the treasury immediately payments are made to the banks for immediate collection of treasury receipts.

##### (b) **UNCREDITED LODGEMENT**

**Observation:** Audit examination of the bank reconciliation statement revealed that a sum of ₦24,823,500.73 was the accumulated uncredited lodgement from the previous years. Up to the time of writing this report, no action has been taken by the Local Government to investigate the genuineness of the payments.

**Recommendation:** The Treasurer is hereby advised to investigate the genuineness of these payments and inform this office of action taken on them.

##### (c) **DIRECT DEBIT**

**Observation:** In the bank reconciliation statement, it was observed that some items amounted to ₦27,837,892.74 was classified as direct debit and no action had been taken by the Local Government on why such amount was debited by the banks against the Local Government accounts.

**Recommendation:** Efforts should be made to investigate the direct debit items and inform this office immediately.

## 5. **REVENUE GENERATION PERFORMANCE**

**Observation:** During the period under review, the Local Government budgeted a sum of ₦73,243,000.00 as its expected internally generated revenue for the financial year, but a sum of ₦53,601,102.34 only was actually generated. The amount generated was 72% budget performance.

Investigation into why the revenue was low revealed that there were some sources of revenue within the Local Government that were neglected and not tapped during the period. Such revenue sources include naming of streets, borehole drilling, various licenses, parking fees, burial fees, earnings from laboratory services and traditional medical centres, etc. All these businesses are revenue sources which can be harnessed and they are feasible within the Local Government.

**Recommendation:** The Management of the Local Government is advised to put necessary machineries in place to tap these neglected sources of revenue in order to boost the internally generated revenue of the Local Government in the next financial year.

## 6. **REVENUE CONTRACTOR**

**Observation:** Despite the ban on the use of revenue contractors by any agency of the Government via Circular No. SART/72/003 dated 25<sup>th</sup> October, 2013 emanated from Ministry of Local Government and Chieftaincy Affairs, the Local Government still engaged revenue contractors. Some of the revenue contractors were Sully Jay Venture and four (4) others to collect revenue on loading and off-loading, hair dressing salon fee, collection of barbing salon fee, filling of gas fee etc. on behalf of the Local Government. The Auditors requested for the letters of engagement/agreement and approval but the documents could not be presented for audit scrutiny.

Also, there were no records to show the level of indebtedness of the previous revenue contractors and there were no contractual agreements between them and the Local Government presented to ascertain the previous debt if any

Audit scrutiny however revealed that out of Five Hundred and Ninety Thousand Naira (₦590,000.00) only expected to be generated by revenue contractors for year 2020, a sum of Three Hundred and Thirty Thousand Naira (₦330,000.00) only was paid to the coffers of the

Local Government. This implies that the contractors were still owing a sum of Two Hundred and Sixty Thousand Naira (₦260,000.00) only as at 31<sup>st</sup> December, 2020.

**Recommendation:** The Local Government Management should recover the outstanding debt of ₦260,000.00 from the contractors and desist from engaging revenue contractors in line with the circular letter SART/72/003 dated 25<sup>th</sup> October, 2013 and other circulars relating to ban on appointment of revenue contractor.

#### 7. **NORMALIZATION OF ADVANCE LEDGER**

**Observation:** During the examination of the advance ledger, it was discovered that loan beneficiaries as contained in the advance ledger could be classified into two (2) categories. i.e

- (1) Those that still owed the Local Government
- (2) Those that the Local Government owed.

Further examination revealed that those in category 1 above comprises of the following.

- (3) Staff still in active service and currently serving and drawing their monthly salaries and allowances from Ijebu-ode Local Government.
- (4) Staff still in active service but serving in another Local Government. It was further discovered that some in this category of workers had their advances deducted into other Local Governments but those Local Governments are yet to remit same to Ijebu-Ode Local Government.
- (5) Retired staff
- (6) Deceased staff
- (7) Corporate bodied/government agencies

#### **RECOMMENDATIONS**

- For the staff in category “1a” the Local Government should commence the deduction from the salary of such beneficiaries immediately.
- For the staff in category “1b” the Local Government should write such staff informing them of the advances owed by him or her and to provide evidence of deduction by other Local Governments.
- For officers in “1c” the Local Government should do same as in recommendation 2 above, but if there is no tangible response, the Local Government should write the Bureau of Local Government Pensions through Local Government Service Commission seeking for approval to make deductions from their monthly pension allowances.

- For officers on category “1d” the Local Government should declare those advances as bad debt and write-off such from the advance account.
- For those in category “1e” the Local Government should do investigation and initiate a negotiating team on how these advances could be redeemed.
- The Finance and Supplies Department should be charged with additional responsibility of checking the advance records of any staff applying for letter of non-indebtedness for retirement purpose.

For officers in category “2” above, the Local Government should refund any amount overpaid by them.

Please find below, the amount owed by each category of the officers.

	<b>Amount</b> (₦)
Category “1a”	727,731.30
Category “1b”	741,497.24
Category “1c”	349,033.43
Category “1d”	<u>51,933.19</u>
	1,870,195.16
Category 2	<u>(143,496.49)</u>
<b>Total Advance</b>	<b><u>1,726,698.67</u></b>

#### 8. **NAMING OF STREET**

**Observation:** During the posting and casting of ledgers, it was observed that a sum of ₦565,000.00 was generated from street naming for year 2020. Further audit scrutiny revealed that a sum of Eleven Million and Five Thousand Naira (₦11,005,000.00) only was the outstanding debt owed by individuals for annual renewable of street naming. The information was extracted from the naming of street ledger.

Surprisingly, going through available documents in the Local Government, it was observed that no record was available to show the previous debt (names, address, period etc) relating to individual beneficiaries as regard naming of street. Since there was no record showing the previous debt on naming of street, the F&GPC of the Local Government resolved to commence on a clean slate by fixing a minimum of ₦30,000.00 as indebtedness for all the beneficiaries and the new annual renewal rate of ₦100,000.00 to commence from year 2021.

**Recommendation:** The management of the Local Government is advised to recover the debt by raising a task force for the recovery. This Office should be informed of the steps taken to recover the debt.
